

## Copyright Transfer and Financial Disclosure/Conflict of Interest Statement

The copyright this article is transferred to the Society for Conservation and Resource Development of Medicinal Plants effective if and when the article is accepted for publication. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproduction of similar nature.

An author may self-archive author-create version of his/her article on his/her own website and or in his/her institutional repository. He/she may also deposit this version on his/her funder's or funder's designated repository at the funder's request or as a result of a legal obligation, provided it is not made publicly available until 12 months after official publication. He/she may not use the publisher's PDF version, which is posted on [www.indianjournals.com](http://www.indianjournals.com), the purpose of self-archiving or deposit. Furthermore the author may only post his/her version provided acknowledgement given to the original source of publication and link is inserted to the published article on [indianjournal's website](http://indianjournal's website). The link must be accompanied by the following text: "The original publication is available at 'www.indianjournals.com'

The author is requested to use the appropriate DOI for the article. Articles disseminated via [www.indianjournals.com](http://www.indianjournals.com) are indexed, abstract and reference by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia. After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.

- (i) the undersigned corresponding author, also certify that I/we have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent licensing arrangements etc.) that might pose a conflict of interesting connection with the submitted article, except as disclosed on a separate attachment.
- (ii) funding sources supporting the work and all institutional or corporate affiliations of mine/ours are acknowledged in a footnote. Please mention if a separate attachment is enclosed.
- (iii)
